

Republican County Ticket.

Prothonotary, &c., CALVIN M. ARNER.

Sheriff, GEORGE W. SAWYER.

Commissioners, J. J. PARSONS, C. F. LEDEBUR.

Auditors, R. Z. GILLESPIE, E. L. JONES.

Jury Commissioner, C. H. CHURCH.

THE REPUBLICAN PRIMARIES.

The Result in Detail.

The Return Judges of the several election precincts selected at the Republican Primaries on Saturday, June 25, 1887, met in the Court House, Tionesta, Pa., yesterday at 2 o'clock, in pursuance of the Rules governing Republican Primary Elections.

Barnett, Maze's—John H. White, Barnett, Redclyffe—Lester Warner, Green, Guiton's—R. W. Russell, Green, Nebraska—A. Rhodes.

Harmony, Fagundus—E. L. Jones, Harmony, Allender—John Thomson, Harmony, West Hickory—G. W. Kemble.

Hickory—John Prather, Jenks, Byrom's—A. D. Christy, Jenks, Marienville—N. K. Burton, Jenks, Gilfoyle—Scott Mohney.

Kingsley, Newtown—Robert Burdick, Kingsley, Star—H. E. Lovel, Howe, Balltown—Wm. Briggs.

Howe, Cooper Tract—W. S. Cole, Howe, Brookston—N. Beebe, Tionesta Township—Henry Blum, Tionesta Boro—R. B. Crawford.

The sealed Returns were then opened and computed, when it was found the following candidates had received the highest number of votes, and were duly declared the nominees of the Republican party:

Prothonotary, Register, Recorder and Clerk of the Courts, Calvin M. Arner. Sheriff, George W. Sawyer.

Commissioners, J. J. Parsons, and C. F. Ledebur. Auditors, R. Z. Gillespie, and E. L. Jones.

Jury Commissioner, C. H. Church. Delegate to the Republican State Convention, J. E. Wenk.

The next business in order was the election of a Chairman of the Republican County Committee. The names of C. M. Shawkey and E. L. Davis were presented. Mr. Davis asked to be excused, and his name was withdrawn, when the Convention paid Mr. Shawkey the high compliment of a unanimous re-election.

The matter of State candidates was mentioned, but the desire of some of the delegates to get away on the 4 o'clock train out the discussions short; there was however, entire unanimity of feeling in favor of the candidacy of Hon. Henry Brace of Warren, for State Treasurer, in the event of that office coming to the Western end of the State, of which there is a reasonable probability, and in which case Mr. Brace's chances for nomination are in the lead of any other.

Throughout, the convention was one of the most harmonious ever held in the county, and there was an entire absence of bad feeling or disappointment on the part of the defeated candidates or their friends, which augers well for the success of the ticket in the fall. The ticket as nominated is conceded on all sides to be an exceptionally strong one, and of its triumph with a booming majority there isn't the shadow of a doubt. We have not the time to individualize at this writing, but will attend to that as the campaign progresses.

THE NEW COUNTY COMMITTEE.

Bar Endorsement of Judge Williams.

At a meeting of the Forest County Bar held at Tionesta, June 28, 1887, the following resolution was adopted:

Resolved, That we, the members of the Forest County Bar, are pleased to learn that the Hon. Henry W. Williams of Tioga Co., is a candidate for the office of Judge of the Supreme Court. That we recognize in him the able and impartial jurist, well acquainted with the laws regulating the petroleum and lumber interests, and the varied industries of Western Pennsylvania, and as a man of the people, one of the people, and a friend and advocate of their interests.

His sixteen years experience on the bench in his own district, reflects great credit on the ability of this worthy judge. SAMUEL D. IRWIN, Pres't Bar Ass'n.

P. M. CLARK, Secretary. E. L. DAVIS, J. B. AGNEW, T. F. RITCHEY, MILES W. TATE, Committee.

THEY say Endicott went to the White House with a bundle of official documents in his hand and was refused admittance. A saub like this to a Cabinet officer is a hint he is expected to take. Will Endicott take it?

THERE! The President hasn't forgotten Pennsylvania. He has appointed James Sheakley, of Mercer county, to be commissioner for the District of Alaska, to reside at Wrangel. It is not very much, you know. But even a crumb dropped now and then is evidence that he knows of the State's existence.

THE Republicans of Mercer county nominated the following ticket at their primaries on Tuesday of last week: Sheriff, W. A. Kreps; Prothonotary, B. J. Haywood; Clerk of Courts, D. R. Vaun; Recorder, J. H. Chandler; Treasurer, H. A. Broadbent; District Attorney, G. W. McBride; Commissioners, J. Y. Templeton, W. H. Dight; Auditors, D. B. McEwen, J. S. Wallace.

A Quiet Man. The appearance of Mr. Rockefeller, as described by the New York Journal: Promptly at 10 o'clock each morning the man who is worth \$35,000,000, and probably several millions more, gets out of an elevated railroad train near Rector street, and walks to his office at No. 26 Broadway. He is of medium height and stout build. He is slightly stooped. His brown hair is fast turning to a dull gray. His eyes are brown and are overhung by heavy brows. He wears a short, dark beard and an uncared-for mustache. A stern, but yet kindly face, seamed with small wrinkles, as if by concentrated thought. This is John D. Rockefeller, the famous oil king, and president of the Standard Oil Company, one of the wealthiest and most powerful corporations on earth. Mr. Rockefeller's clothes might have been purchased at a second-hand store. They seem to have been thrown on carelessly, and the battered silk hat has needed brush-

ing for a long time. Scores of clerks in his employ are dressed a dozen times more expensively than the oil king. Mr. Rockefeller might be taken for the owner of a small grocery store, and that was what he was not so many years ago. Now he has a palatial home in this city filled to the doors with splendid paintings and rare works of art and a summer residence at Greenwich, Conn., which ranks among the finest along the sound.

Perfection Reached. The Burke Washing Machine, H. M. Foreman and M. H. agents for Forest and Warren counties, comes the nearest to perfection of any machine yet put upon the market. At least that is the testimony of those who have used it. Below are given a few testimonials of well-known ladies in Tionesta who have given it a thorough test and know whereof they speak:

The Burke Washer is just what it is represented to be. I have used one for two months and would not exchange it for any other I have ever seen. Mrs. C. A. RANDALL. The Burke washer is an excellent machine. I would recommend it to every one who needs help on "wash day." Mrs. DR. HUNTER.

It washes clean and requires no rubbing of the clothes by hand. I can recommend it to every one. Mrs. ELI HOLEMAN. I believe it to be the best washer in the world. Mrs. D. W. AGNEW. I have used the Burke washer three or four months and could not do without it. The washing can be done much more quickly than the old way and I think just as well. Mrs. W. L. KLINESTIVER.

It is complete, does work well, saves water, soap and labor, and is not so hard on clothes as a washboard. Mrs. D. W. CLARK. My children, aged ten and twelve years, can do my washing, and we need not use a wash-board. I am very well pleased with the Burke washer. Mrs. J. JOYCE. I have used three different washing machines, but the Burke is the best of all. It does the washing quicker, and requires less soap, water and fuel than any other. Mrs. J. KINZIE.

I have used the Burke washer for six months, and would not part with it for six times the price asked for it. Mrs. M. HEPLER. Besides the above the following named ladies of Tionesta have used the Burke washer, and give equally strong testimony as to its merits: Mrs. P. Agnew, Mrs. H. S. Brockway, Mrs. Jas. G. Carson, Mrs. J. B. Agnew, Mrs. L. Agnew, Mrs. J. A. Proper.

DON'T EXPERIMENT. You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems at first only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at G. W. Bovard's Drug Store.

Some Foolish People Allow a cough to run until it gets beyond the reach of medicine. They often say, Oh, it will wear away, but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which we sell on a positive guarantee to cure, they would immediately see the excellent effect after taking the first dose. Price 50c and \$1.00. Trial size free. G. W. Bovard.

The Population of Tionesta, is about 700, and we would say at least one half are troubled with some affection of the Throat and Lungs, as those complaints are, according to statistics, more numerous than others. We would advise all not to neglect the opportunity to call on us and get a bottle of Kemp's Balsam for the Throat and Lungs. Price 50c, and \$1.00. Trial size free. Respectfully, G. W. Bovard.

SAVED HIS LIFE. Mr. D. L. Wilcoxson, of Horse Cave, Ky., says he was, for many years, badly afflicted with Phthisis, also Diabetes; the pains were almost unendurable and would sometimes almost throw him into convulsions. He tried Electric Bitters and got relief from the first bottle and after taking six bottles, was entirely cured, and had gained in flesh eighteen pounds. Says he positively believes he would have died, had it not been for the relief afforded by Electric Bitters. Sold at fifty cents a bottle by G. W. Bovard.

Dyspepsia and Liver Complaint are the direct causes of seventy-five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. ROLED BY PREJUDICE.

Few persons realize how thoroughly they are controlled by prejudices even to their own disadvantage. For many years the treatment of rheumatism, neuralgia, sciatica and headache has been by some outward application, and, therefore, without stopping to think that the origin of these troubles must, from necessity, be internal, the weary sufferer continues to rub, rub and find no relief. Athlophoros is taken internally, and as a proof that this is the correct principle, it cures surely and quickly. The statement of those who have been cured ought to convince the incredulous.

C. F. Bruce, Metuchen, N. J., says: "My mother had the rheumatism in her heart, and was cured by Athlophoros. She says there is no medicine like it."

James W. Reed, 4638 Penn Ave., Pittsburgh, Pa., says: "My mother, although 77 years of age, was entirely cured by the use of Athlophoros."

Miss Carrie Patten, Eagle Village, N. Y., says: "My mother was nearly a cripple in her arms, not having been able to dress nor scarcely able to feed herself for three months, being in severe pain most of the time. The acute pain ceased after taking three bottles of Athlophoros, but she continued to take it until all signs of rheumatism were gone; having taken 27 bottles in all. She has not taken any since last May, and can use her arms as well as ever. A number of friends have taken it, and in every case it has given satisfaction. In case of sick headache, it gives almost immediate relief."

John M. Wolcott, Piffard, N. Y., says: "I got a bottle of Athlophoros for a friend. She at once gained rapidly, and has not been troubled with the rheumatism since."

Every druggist should keep Athlophoros and Athlophoros Pills, but where they cannot be bought of the druggist the Athlophoros Co., 112 Wall St., New York, will send either (carriage paid) on receipt of regular price, which is \$1.00 per bottle for Athlophoros and 50c. for Pills.

For liver and kidney diseases, dyspepsia, indigestion, weakness, nervous debility, diseases of women, constipation, headache, impure blood, &c., Athlophoros Pills are unequaled.
